

Change

Change means
something
different happens.

Some changes we know are going to happen.

Some changes we don't know are going to happen.

Sometimes I like changes.

Sometimes I don't like changes.

Some changes
make me happy.

Some changes
make me sad.

Sometimes I don't know when things are going to change...

and I get upset.

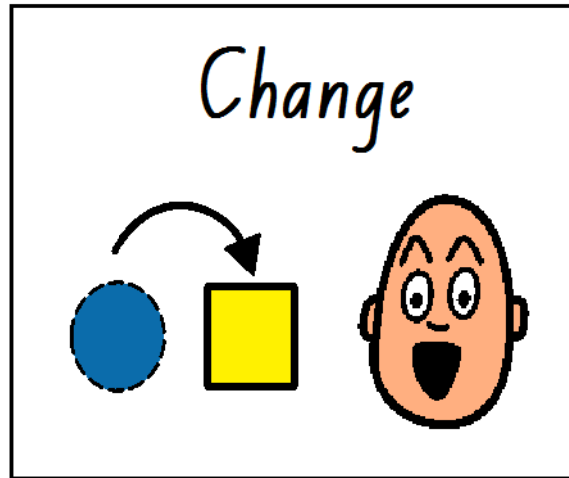

When I see this

I will know that a change is going to happen.

When I see this,

I can think...

It's okay,
I might like
this change!

This will
help me
feel better.

I will try and
stay calm because
I know sometimes
I like changes.

I will try and
think about other
things I like to do.

I'll ask to
do something else
that's fun.

I know I can
still have lots of
fun when things
change!
