Speech Pathology and Educational Services

HOME PROGRAM

'S'

Steps in learning a new sound

N.B. In the assessment session, the student was able to produce the sound by itself and in syllables. Therefore, this program focuses on word level onwards.

SAYING THE 's' SOUND IN WORDS

1. Don't forget:

- 'quiet sound'.
- Tongue behind teeth.
- Air shoots out the front of the mouth.

2. TASKS

a. Using the multiple copies of the picture cards attached, practice the 's' sound in games of:

- memory match
- snap
- go fish

N.B. Keep one set of picture cards for the phrase level activities.

b. Complete the crossword (attached). Read all your answers out loud with a good 's' sound.

c. Complete the find-a-word. Make sure you say all the target words with a good 's' sound.

SAYING THE 's' SOUND IN PHRASES

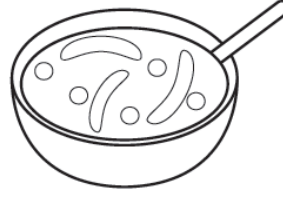

a. Colour in the 's' picture cards.

Say what colour each one is e.g. a blue Sock, a red Santa. Make sure the 's' sound is clear!
