*It's nice to talk
to Nan,*

*but sometimes I
don't feel like
talking.*

Sometimes,
I just
want to be alone.

Sometimes I might
get angry and
say rude things
when I don't
feel like talking.

It makes Nan
sad if I get
angry or say rude
things to her.

I don't need to
get angry if I
don't feel like
talking.

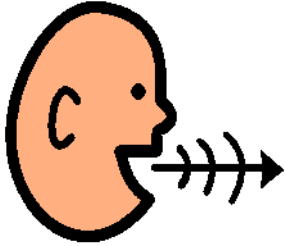

There are things I
can say that are
polite and won't
make Nan sad.

I can say, 

"I'm sorry I
don't feel like
talking now,"

or

"Can we talk
later Nan?"

I'm being polite
when I say,

"I'm sorry I
don't feel like
talking now,"

or

"Can we talk
later Nan?"

It makes Mum
and Nan happy
when I'm polite.

I feel good too
when I'm polite.

I'll try to be
polite to Nan when
I don't want
to talk.

Sometimes I might
talk to Nan for
a while but then
don't want to
talk anymore.

When I don't
want to talk
anymore,

 I can say...

"Is that all Nan?"

or

"I'd like to be
alone now please."

These are polite
ways of saying
I don't want to
talk anymore.

I'll try and be
polite to Nan
because
Nan loves me
and
I love Nan.
